1973-74 Outlook

Maryland wrestling coach William E. "Sully" Krouse begins his 28th season with four ACC Champions back, seven returning lettermen, an expanded schedule and looking for an unprecedented 21st consecutive ACC team title.

Two of the 1973 ACC Champs return this year along with two winners from 1972.

Again the Terps will be wrestling the eastern powers, meeting Buffalo and Lehigh in December, Penn State and Navy in January and William & Mary to round out the February schedule. All were highly ranked last year in the east.

Stiffer competition can be expected out of the Atlantic Coast Conference with the Cavaliers of Virginia expected to give the Krousemen their toughest league test.

Recruits Rick Gottlick, a New Jersey State Champ and junior college transfer and JUCO Eastern Regional Champion Tyrone Neal are a few of the newcomers looking especially promising in the Terrapin lineup.

The Terps will be trying to improve upon last year's dual meet record of 9-8, and although depth may be a problem, this year's starters are solid.

Here is the prospectus by event:

118—Terp co-captain, senior Steve Nickolaus has returned to nail down the top spot in this weight class. The three-year letterman was an ACC Champ two years ago.

126—Sophomore Greg Filipos, a Pennsylvania State runner-up in high school looks very promising at 126, but Bill Schoy, a freshman is pushing him for the starting spot.

134—Local product Joe Becka from nearby Parkdale high school seems to have captured the starting berth at this weight class. Although inexperienced, he is rated as one of the toughest competitors on the squad.

142—Junior Marty Peatross, from nearby Surrattsville high ranks as the top man in this six man weight class.

150—This is the strongest weight class for the Terps with five good wrestlers competing for top berth. Senior co-captain Dave Strauss returns. He was an ACC Champ last year and won 14 dual meets for a single season record. He is being pushed the hardest by Rob Stover, an ACC Champ at 142 and three-year letterman.

158—Tyrone Neal is a solid starter at 158. The Montgomery Junior College transfer was a JUCO Eastern Regional Champion as well as the Outstanding Wrestler in the Plebe Tournament last year. Behind Tyrone is sophomore Steve Heger who wrestled locally at High Point high school.

167—There is very close competition at this weight class with two-year letterman Terry Myers, runner-up in the ACC last year at this weight being pushed by John Gibbons, a junior.

177—Jack Hoffman, a conference champion two years ago at 167 and who sat out last year, returns as the favorite but is being challenged by an aggressive Keith Uhl from Suitland, Md.

190—A. J. Richards, a transfer from Anne Arundel Community College and a winner in the Maryland JUCO Wrestling Tournament is the leading contender at 190, with Keith Uhl and Kevin Moriarity pushing for the starting berth.

HWT—Terp gridder Cy Jernigan is back. He was last year's runner-up in the ACC at this weight class. This season he is bigger and stronger and big things are expected from him.

COACH KROUSE

Coach William E. "Sully" Krouse has been a household name for Maryland wrestling fans during the past quarter century and was instrumental in the elevation of wrestling to a varsity sport in his second year as coach. Entering his 28th year at the head coaching position, Krouse is the dean of Atlantic Coast Conference mat mentors and his record of 153 wins, 85 losses and nine ties reflects the success the wrestling program has attained under his guidance.

Sully had his first championship squad in 1952 when the Terps won the Southern Conference championship, the first of two Southern Conference titles for him. In 1954, Maryland joined the Atlantic Coast Conference and immediately captured the initial wrestling title. Since 1954, Krouse has won an additional 19 ACC championships, never losing the title in the conference. Krouse and his matmen saw the 73-match ACC winning streak snapped in 1970 when Virginia shocked Maryland 24-11. Krouse's men have also dominated the individual statistics winning 142 of a possible 182 individual titles in the 19 years in the ACC.

Krouse was instrumental in bringing the 1960 NCAA Wrestling Championships to Cole Field House and played an important role in getting the championships again in 1972.

Krouse received his degree from Maryland in 1941. While at Maryland, Sully lettered in both wrestling and football. He won the Southern Conference heavyweight wrestling title during his career at College Park and played three seasons at tackle for the football Terps. After receiving his degree from the College of Business and Public Administration, Krouse entered professional football with the Brooklyn Tigers in 1942.

In 1944 he entered the coaching ranks at Southern High in Baltimore where he coached football, wrestling and lacrosse. He returned to his alma mater in 1946 to coach wrestling and also assisted on the football team until 1949.

After his return to Maryland, Sully obtained an undergraduate degree in Physical Education and his Master's in Education. He is now an assistant professor in the College of Physical Education.

Krouse's many achievements earned him induction into Omicron Delta Kappa, the men's national honorary in 1966.

In 1942, Krouse married the late Mary Susan Sullivan of Frostburg, Maryland. His wife passed away in December of 1969. He has one son, Jay, 27, and a daughter, Susanne, 23.

JOHN C. McHUGH enters his fifth season as assistant wrestling coach at the University of Maryland under head coach Sully Krouse. In September of 1969, McHugh became the Terps' first official assistant coach since wrestling became a varsity sport under Krouse in 1947-48. All of the past wrestling assistants have worked on a voluntary basis, usually while pursuing graduate study.

McHugh was a Pennsylvania state champion from Cheltenham High before enrolling at Maryland where he became one of the best 115 and 123 pounders in Terp history. He was a member of Maryland's first Atlantic Coast Conference team and won two ACC titles. He was also an NCAA semi-finalist in 1957.

John served as Sully's student assistant coach before his graduation in 1959 with a degree in Physical Education. He then entered the Marine Corps as a Second Lieutenant and was discharged as a Captain. Following service duty he became wrestling coach at Catholic University. Four years later he moved to American University.

John is married to the former Nancy Nielson, Maryland 1960. They have three children Megan, 11; Kristin, 8; and Craig, 6.

TERP MAT HISTORY IS SUCCESSFUL

The history of wrestling at the University of Maryland has been one studded with success.

Wrestling at Maryland has worked its way up from a supplementary training program for football players to a varsity sport in which the Terps are ranked number one in the Atlantic Coast Conference.

When Dr. Harry Byrd was football coach, he hired a man named Tom Clayton part-time to teach wrestling to his football players. This system of training continued throughout the duration of Dr. Byrd's coaching.

In 1935, Mr. Charles Leroy Mackert, head of the Physical Education department, which was then in the College of Education, promoted wrestling by the intramural system. This was going on in 1937, when William E. "Sully" Krouse came to Maryland as a freshman.

In that year the group of wrestlers of which Sully was a member won the intramurals. This group continued to train together and used its own money to finance wrestling matches against the intramural champions at other schools.

During these years wrestling was not recognized as a sport and the equipment used by the wrestlers was provided by the matmen themselves.

In 1940, Mackert finally got the administration to recognize wrestling as a minor sport. Classified as such, the members of the team received small letters for their performances.

In the following year a man from the Beltsville Farms donated his spare time to help coach the team. This man, Joseph "Deacon" Douglas, apparently worked well for they received a bid to the Southern Conference wrestling tournament which was held at Maryland for the first time.

In 1942, Mr. Joe McDaniels, one of America's all-time great performers in national competitions and later coach at Syracuse University, was hired as an instructor and wrestling coach. Then, just as things seemed to be going well, World War II broke out and all wrestling was dropped.

After the war was over Sully Krouse came back to Maryland as wrestling coach and assistant football coach. In that year, 1945-46, the Terps placed sixth in the Southern Conference tournament.

Two years later, 1947-48, wrestling, as well as golf and soccer, was made a varsity sport.

Then, in 1952, the Maryland grapplers won their first Southern Conference championship. Since that time the championship, now in the ACC, has never been out of Maryland's hands and from all appearances this year will be no different.

From these squads have come such names as: Ernie Fischer, who lost only one dual meet in his career, placed second in the Nationals, and was also on the U.S. Olympic Team; Roney Carroll, four-time Conference winner; All-American Mike Sandusky who placed fourth in the NCAA Tournament; Nick Biondi, Gene Kerin, first two-time winner of ACC Outstanding Wrestler Award in Conference Tournament; All-American wrestlers Marshall Dauberman, Tim Geiger, and Bob Kopnisky. Kopnisky also became Maryland's first NCAA Wrestling Champion.

Bob Karch, 1967 co-captain, was a three-time ACC Champ and Tournament Outstanding Wrestler, was also named OSW in 12 of the 19 dual meets over his last two years.

Gobel Kline became Coach Krouse's second two-time All-American and NCAA Champion in 1969.

MARYLAND'S WRESTLING ALL-AMERICANS

All-Americans are chosen by the American Wrestling Coaches Association on the basis of places won in the NCAA wrestling tournament each year.

From 1928 through 1962 the first four places earned All-American status. Since 1963 the first six places in each weight class are designated as All-Americans.

UNIVERSITY OF MARYLAND WRESTLING ALUMNI

Currently a group of about 150 who were connected with the wrestling team during their undergraduate days at the University of Maryland have come together to form the University of Maryland Wrestling Alumni.

The group meets officially only once each year, that being at the homecoming meet. That meet is followed by the annual party.

The Alumni collect no formal dues, but they have bought blazers for the traveling team with contributions. Other projects are being considered.

Coach Krouse is coordinating the activities of the Alumni. He issues a periodic newsletter to the membership, primarily during the season.

WRESTLING TERMS

Decision—If no fall has resulted after expiration of the three regular periods of any match, the referee shall award the match to the contestant who has scored the greater number of points. If there is a tie in the number of points scored, the referee shall declare the match a draw in dual meets.

Default—A default is awarded in a match when one of the wrestlers is unable to continue wrestling for any reason.

Disqualification—Disqualification is a situation in which a contestant is banned from participation for use of illegal holds, technical violations, stalling, unnecessary roughness, abusive and/or unsportsmanlike conduct or flagrant misconduct.

Escape—An escape occurs when the defensive wrestler gains a neutral position and the offensive wrestler has lost control while the supporting points of either wrestler are within the wrestling area.

Fall—Any part of both shoulders or area of both scapulas held in contact with the mat for one second constitutes a fall.

Forfeit—A forfeit is received by a wrestler when his opponent, for any reason, fails to appear for the match In order to receive a forfeit, a wrestler must be dressed in wrestling uniform and appear on the mat.

Near-Fall—A near-fall is a position in which the offensive wrestler has control of his opponent in a pinning situation with: (1) Both shoulders of the defensive wrestler held momentarily (stopped) within 4 inches of the mat or less, or when one shoulder of the defensive wrestler is touching the mat and the other shoulder is held at an angle of 45 degrees or less with the mat.

Reversal—A reversal occurs when the defensive wrestler comes from the underneath and gains control of his opponent, either on the mat or in a standing position, while the supporting points of either wrestler are within the wrestling area.

Takedown—When from a neutral position, a contestant gains control and places his opponent's supporting points down on the mat, and held beyond reaction time, while the supporting points of either wrestler are within the wrestling area, he has gained a takedown.
